Good Afternoon Lauren,

I just tried calling you and left a voicemail in regards to getting your login credentials for your new laptop that I'll be setting up. Is there a good time I can call back to get this info from you?

Regards,

Graham

Hi Precision – Lauren's laptop keyboard is not working well. Can we set her up on one of our new laptops? Once this ticket is assigned to a tech, Lauren will jump in with her BitLocker pin and email password. Thanks!
