Perfect! I just placed an order so will keep you posted once those arrive and when Precision will need your password for the set up (I'll copy you on the ticket I open). Stay tuned!

Thanks! Nothing in particular in mind. The only quirk I have is that I don't normally use a mouse so I like the trackpad to be good. The one linked looks fine to me.

Hi Molly – Sara mentioned that you are due for a new BHB laptop for your home set up (or office)? I wanted to check in with you and see if you had anything in mind. We typically purchase these ThinkPad's (32GB) for employees through Precision's team (https://www.lenovo.com/us/en/p/laptops/thinkpad/thinkpadx1/thinkpad-x1-carbon-gen-12-14-inch-intel/21kc0046us). Let me know if this works for you!
