Hi Jeff,

Please create the shipping label. I provided Allyson's home address below. Please share the FedEx tracking number once available so I can pass that along to Allyson. Thank you, Jeff!

Hi Catherine,

I have setup the computer for Allyson. Logged into her AD account, logged into Office apps, OneDrive, installed imanage and the imanage registry edit, installed RMM, installed Sophos Endpoint, installed Sophos Connect VPN,

made Allyson a local admin of the computer, installed Chrome, Slack, 7zip, Acrobat Pro and Zoom. I made sure the J drive was mapped. Added the calendaring calendar.

Right now the laptop is running Windows updates, I will let you know when they are completed. Did you want to send a shipping label or have us create it?

Hi Catherine,

We have received 5 more BHB laptops near the end of last week. I will build this one and ship it out tomorrow morning. It should arrive with plenty of time, I will provide the tracking number when I create the shipping label.

Thanks,
Jeff
