Hello,

Yea I should be able to finish the setup today. We can do the Distro list after the laptop setup as well. Also, I noticed Annie's previous email is showing ajeong@braunhagey.com. Did you want me to make this an alias address for jeong@braunhagey.com?

Regards,

Graham

I have a spare in the office we can use (BHB-LT-EM). I'm turning it on. Any chance we can do the set up today? I'm hoping to ship it over to Annie in NY before I'm out of town.

I'll get back to you on the distro list. Can we do this after we finish the laptop set up?

Separately, I'll ship my laptop over to you when I get a chance. It's been a busy few weeks but appreciate you staying on top of that.

Good Morning Catherine,

I just wanted to check in on this new hire request. Which laptop were you wanting to use for them? Also, were there any further Distro lists that they needed to be in other than All Users?

Regards,

Graham
