Hello Catherine,

I've attached the list of current Adobe licenses attached to user's. Is there a license on the list I can use for David or should I purchase a new one?

Regards,

Graham

Hello Catherine,

I'm working on the new hire setup currently and am expecting to finish it by EOD and get it shipped out. I'll give you a better estimate of the ETA for the laptop once I create the label.

Regards,

Graham

Hi Team – Checking in on this one! Any chance this can be done today and shipped out to arrive by tomorrow? We can purchase a new Microsoft license for him as I believe we were out when we onboarded Lilly Arvanites this week.
