Hi Chris – Do you mind texting Carlos at Precision IT your email password (925-391-8590) – this is his work number? He is working on your new laptop set up today and should have it shipped out to NY this week!

Great! I'm having Precision pull a quote and will confirm once that has been approved and the order has been placed.

I'll open up a ticket with them once the laptop is delivered to their office so they can begin set up. I will copy you on that ticket as the tech will need your password at that point. Stay tuned!

Wirecutter says the one you recommended is great, so let's go with that – thanks!

Hi Chris – Sara mentioned that you are due for a new BHB laptop. I wanted to check in with you and see if you had anything in mind. We typically purchase these ThinkPad's (32GB) for employees through Precision's team (https://www.lenovo.com/us/en/p/laptops/thinkpad/thinkpadx1/thinkpad-x1-carbon-gen-12-14-inch-intel/21kc0046us). However, for partners, we usually ask in case they have a specific preference on laptop brand/model. Let me know what you are thinking!
