Hi,

So far everything looks good. I don't have a work phone yet so I haven't set up the zoom phone service. I also haven't tested out Adobe or the vpn but I suspect all of that will be fine.

Thanks all!

Regards,
Kevin

Good Afternoon,

It looks like there aren't anymore available 365 licenses for this new hire. I've attached the spreadsheet of the current licenses attached to user's. Is there one on the list I can use or should we purchase a new license?

Regards,

Graham
